The Woman Every Man Wants Bianca Gold, 2019-12-19 During our whole life, we experience the worst and the best from everyone we encounter, never knowing about how much these experiences affect our life. We grow more positive or negative, depending on the amount of negativity or positivity received from life experiences. But are we victims or martyrs? Do we deserve such things? The answer to any of such questions will define who we are, what we do, and the decisions we make. These decisions, however, will reflect back in our identity, reinforcing what already exists. There's no such thing as being stronger or weaker, but merely more unaware of our own power and responsibility towards existence, or a false pride about what our life is all about. Lack of answers define a strong ideal and value, and not the opposite. This is what we see in beautiful women that can't get a date, marry and have children with the man they dream about. They start developing the idea that men don't appreciate them, that men only love bitches and, as so, they become more depreciative of themselves. And once this happens, they find other explanations to deny the failure within their ego. That answer will revert at blaming others or circumstances, namely, by saying that men are losers, pathetic and purely sexual, or attributing all their

problems to childhood. The problem in all these equations, is not related to what happens, but to whom we become. To look at such woman and say that she doesn't have a relationship isn't as important as to say that she doesn't love herself. These answers, that they can provide towards such arguments, are merely illusions that they can't recognize anymore from within, because they've lost their sense of purpose. Such answers are related to the belief that they're superior to men in intellect and independency. But the superiority of intellect and independency doesn't always translate in the same manner in emotional maturity and loving connections. This is why this book was written, to teach women how to love themselves more, gain a more realistic sense of female pride and find their ideal man and marriage.

The 7 Irresistible Qualities Men Want in a Woman Bruce Bryans,2013-11-26 Discover What Quality Men Secretly Look For When Choosing The One A high-quality man who knows what he wants will NOT settle for just any woman to build a meaningful relationship with. Men like this want a woman who exudes high character. And though she may be beautiful on the outside, he expects her inner worth to be far superior to the women around her. Once a woman passes a man's "physical appearance" test that is specific to his personal tastes, it's her inner value (or lack thereof) that will either lose or keep his interest in her. Learning how to keep a man interested in you is as simple as figuring out what men want when it comes to choosing a partner for a long-term relationship. Sadly, many women either disqualify themselves from relationships with phenomenal men or they only seem to

attract losers, players, and time-wasters because they failed to develop the inner qualities great guys actively look for in a potential wife or girlfriend. The 7 Qualities That Can Make a Man Fall Helplessly in Love With You Due to trust issues, many great guys aren't open about they need in a relationship. Because of this, many women only learn how to understand men after painful trial and error or by fighting to get a man to open up emotionally. By the time she's figured him out, the incessant conflict and misunderstanding has already taken its toll on him; making his emotional barriers even stronger than before. The faster a man trusts you on a subconscious level, the faster he'll be able to let himself go completely and fall in love with you. And there are seven qualities that are so rare and invaluable in a woman, that when a man finds a woman like this he becomes absolutely determined to KEEP her in his life. How to Find Mr. Right By Becoming Better Girlfriend Material If you want to attract and keep a high-quality man then you need to understand what men want in a woman. This short book will reveal to you what a high-quality man wants in a woman he considers girlfriend or even wife material. Although different men want VERY different things, there are certain feminine qualities that ALL commitment-able men look for when choosing a long-term mate. Only the woman who possesses these feminine qualities will find attracting men - quality men - to be both an effortless and rewarding activity. Here's what you're going to learn inside: What men want in a woman, and why being unapologetically feminine attracts the BEST kinds of men. How to get a boyfriend using an "old-school" tactic that can captivate the heart of even the most unattainable man. How to understand men and what makes them WANT to commit to a woman. How to keep a man interested in you by giving him the ONE thing he needs even

MORE than SEX. (the key to how men think) How to be a good girlfriend and make him see you as “The One” by displaying a RARE quality that few women possess.
