The Complete Book of US Presidents, Fourth Edition Bill Yenne,2021-03-02 Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of extraordinary men take office. Their stories are all included in this fourth edition of *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 46 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including the presidents' official White House portraits, sidebars about each and every vice president and first lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. *The Complete Book of US Presidents* is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

Debrett's Presidents of the United States of America David Williamson,1989-01 Starting with George Washington, this book takes us chronologically up to and including George Bush, President of the United States of America who was elected in November 1988 and inaugurated in January 1989. This survey of America's presidential families provides many anecdotes about figures such as Kennedy, Eisenhower, Roosevelt, Nixon and Hoover. There is also a chapter on the new President, his family and his background.

Presidents of the United States of America Workbook Okyere Bonna, MBA,2007-11-15 The presidency of the United States has evolved, taking different shapes and form over the years since the Founding Fathers of the United States created the office at the Constitution al Convention in 1787. The Constitution which went into effect in 1787 then embodied a small, rural Republic of but 13 States located along the eastern seaboard of present day United States. The population of the Union was only 4 million. However it carried slight weight in international affairs. During the following span of time, the Union has grown into an urbanized, industrial country of 50 States extending as far westward as Alaska and Hawaii. The population now exceeds 215 million, and the Nation ranks as a leading global super power. Along side the growth and power of the United has been a remarkable increase in the scope and influence of the Presidency over the years especially in the 20th and 21st centuries.
