Bouncers John Godber,1987 THE STORY: Staged with extreme simplicity, the play takes place in a provincial discotheque--the Saturday night haunt of England's disaffected youth. Using the device of four tuxedoed male bouncers (who also become a variety of other characters) t

The Bouncer David Gordon,2018-08-07 Introducing Joe the Bouncer in "a tour-de-force, ranging from underworld crime to a unique caper and a terrorist plot . . . an outstanding new voice" (Robert Crais, #1 New York Times bestselling author). In David Gordon's diabolically imaginative thriller, *The Bouncer*, nothing and no one is as expected—from a vial of yellow fragrance to a gangster who moonlights in women's clothes. Joe Brody is just your average Dostoevsky-reading, Harvard-expelled strip club bouncer who has a highly classified military history and whose best friend from Catholic school happens to be head mafioso Gio Caprisi. FBI agent Donna Zamora, the best shot in her class at Quantico, is a single mother stuck at a desk manning the hotline. Their storylines intersect over a tip from a cokehead that leads to a crackdown on Gio's strip joint in Queens and Joe's arrest—just one piece of a city-wide sweep aimed at flushing out anyone who might have a lead on the various terrorists whose photos are hanging on the wall under Most Wanted. Outside the jailhouse, the Fed and the bouncer lock eyes, as Gordon launches them both headlong into a nonstop plot that goes from back-road gun show intervention to high-stakes perfume heist and manages to touch everyone from the CIA to the Flushing Triads. Beneath it all lurks a sinister criminal mastermind whose manipulations could cause chaos on a massively violent scale. "A brilliantly goofy caper novel in the grand tradition of Donald E. Westlake."—The New York Times Book Review "[An] impressive crime novel . . . Gordon's sharply drawn supporting cast adds a nice balance to all the action."—Publishers Weekly (starred review)

Memoirs of a Bouncer Mark J. Gadsden,2006-06-30 You will be reading real scenarios to give you a flavor of what has happened, both positive and negative, in the club scene. The book is divided into four sections; (1) *Bouncers*, which provides useful background information on who we are; (2) *Players*, which identifies who the people are that provide the variety of roles of support to you in the night life world, (3) *Things you need to know*, which gives you important guidelines to follow when you enter the bouncing scene from the beginning to the end of your evening, and last but not least (4) *Memoirs*, which discusses the things that can occur in and outside the normal guidelines of our world.

Memoirs of a Bouncer Mark J. Gadsden,2006-06 Shakespeare at the Age of Twelve is for whom Shakespeare is tempting passion or even interest, and for those who are even moderately curious about the present state of Shakespeare's childhood and boyhood, they are located inside the walls of academic institutions and out outside. I tried to unravel the mist of misconceptions regarding his family life in the light of documented data.

Bouncers and Bodyguards Robin Barratt,2009-03-01 *Bouncers and Bodyguards* is a collection of astonishing true stories about the tough world of personal protection and nightclub doors from some of Britain's most notorious figures. Read how Charlie Bronson helped his friends out on the doors of his local in the early '70s before being banged up for well over 30 years; how Dave Courtney misses the violent world of the doors; how ex-football hooligan Mickey Francis ran most of Manchester's doors back in the '80s; and how an ex-Foreign Legion bodyguard spent over a week cooped up in a bleak warehouse guarding Iraqi votes in central Baghdad. By turns funny, sad and shocking, these candid accounts were written exclusively for this publication by individuals who have spent much of their working lives in what is a volatile, violent and frequently unpredictable industry. Compiled by former bodyguard, ex-mercenary and well-known nightclub bouncer Robin Barratt, *Bouncers and Bodyguards* is an exposé of an infamous twilight world about which rumours have often circulated but the truth has never really been uncovered - until now.

He and a cast of colourful characters will draw you into the illusory world of *The Sunset Club* with their own unique magic. Be careful though. Life in the shadowbox is not perfect. Smoky mirrors can be deceptive. Reality can become distorted.

Bouncers (1990s Remix) John Godber,DramaOnline,2013 '*Bouncers*', originally produced at the Edinburgh Fringe in 1977, is an outrageous and hilarious parody of the disco scene. The four brutish bouncers of the title portray over twenty different characters as we are invited for a night out on the town. We see them as giggly girls and lads on the make preparing for the big night out as we follow their progress to the disco floor. There,

we also meet an entire cross-section of disco-goers, including Hooray Henrys, pogoing punks and drunken slob! The evening's events are set against the tatty glitzy glamour, flashing lights and pulsating beat of the nightclub scene. 'Bouncers (1990s Remix)' is a revised and expanded version, first given in Hull in 1991.

The Bouncer Alan Sampson,Heath Lander,2013 Heath Lander's debut book is a captivating, exciting, and gritty exploration of his descent into the dangerous underbelly of Melbourne night life as a young university graduate. His prose captures the physicality of his journey from the first tentative steps into martial arts as a defense against low self-esteem to the camaraderie underpinning the bristling, barely contained violence of nightclub security. An unlikely candidate for the crowd control industry, Heath Lander recounts his journey from a hippy upbringing into the gritty and dangerous world of nightclub bouncing. As a university student, he takes up Kung Fu, a decision that gives him entry into the dark and brutal world of nightclub security. His introduction is by way of his instructor, a part-time bouncer at a pub in Brunswick Street, Melbourne. Graduating from university, his ambition to teach and paint takes second place to his obsession with making it in this new world. Without realizing it, Heath slides into a dark place with no real friends and plenty of potential enemies. The more proficient Heath becomes at his job, the more he gains the respect of his bosses and clients. Then one night, after five years as a bouncer, the almost fatal punch he delivers to a belligerent drunk causes a crisis of conscience. He realizes that his life has lost purpose and he quits his job, determined to make it once again, this time in the world of daylight.
