Citizen 13660 ,1983 Mine Okubo was one of 110,000 people of Japanese descent--nearly two-thirds of them American citizens -- who were rounded up into protective custody shortly after Pearl Harbor. Citizen 13660, her memoir of life in relocation centers in California and Utah, was first published in 1946, then reissued by University of Washington Press in 1983 with a new Preface by the author. With 197 pen-and-ink illustrations, and poignantly written text, the book has been a perennial bestseller, and is used in college and university courses across the country. [Mine Okubo] took her months of life in the concentration camp and made it the material for this amusing, heart-breaking book. . . . The moral is never expressed, but the wry pictures and the scanty words make the reader laugh -- and if he is an American too -- blush. -- Pearl Buck Read more about Mine Okubo in the 2008 UW Press book, Mine Okubo: Following Her Own Road, edited by Greg Robinson and Elena Tajima Creef.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
