Robert Marshall

The Lost Village Camilla Sten,2021-03-23 *BEST MYSTERY/THRILLER FOR THE YEAR* for NPR Come for the mounting horror and scares, but stay for a devastating examination of the nature of family secrets. - New York Times book review [A] scary, highly entertaining debut...that pays homage to Shirley Jackson. - South Florida Sun Sentinel A Most Anticipated Book Goodreads * Publishers Weekly * Crime Reads * Popsugar * Bookish * #1 Loanstar Pick in Canada An Indie Next pick! A Library Reads Pick! The Blair Witch Project meets Midsommar in this brilliantly disturbing thriller from Camilla Sten, an electrifying new voice in suspense. Documentary filmmaker Alice Lindstedt has been obsessed with the vanishing residents of the old mining town, dubbed "The Lost Village," since she was a little girl. In 1959, her grandmother's entire family disappeared in this mysterious tragedy, and ever since, the unanswered questions surrounding the only two people who were left—a woman stoned to death in the town center and an abandoned newborn—have plagued her. She's gathered a small crew of friends in the remote village to make a film about what really happened. But there will be no turning back. Not long after they've set up camp, mysterious things begin to happen. Equipment is destroyed. People go missing. As doubt breeds fear and their very minds begin to crack, one thing becomes startlingly clear to Alice: They are not alone. They're looking for the truth... But what if it finds them first? Come find out. RELENTLESSLY CREEPY. -Alma Katsu, author of The Hunger (An NPR Best Horror Novel) IMPOSSIBLE TO STOP READING. -Ragnar Jonasson, author of The Island Readers will revel in the chills. - Booklist

The Village Marghanita Laski,2004

It Takes a Village Hillary Rodham Clinton,2012-12-11 Ten years ago one of America's most important public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become able, caring resilient adults. IT TAKES A VILLAGE is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator Clinton reflects on how our village has changed over the last decade, from the internet to education, and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and universal health care to all our children. This new edition elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

Knight of the Ice Yayoi Ogawa,2020-03-10 A rom-com manga on ice, perfect for fans of Princess Jellyfish and Wotakoi. Kokoro is the talk of the figure-skating world, winning trophies and hearts. But little do they know... he's actually a huge nerd! From the beloved creator of You're My Pet (Tramps Like Us). Chitose is a serious young woman, working for the health magazine SASSO. Or at least, she would be, if she wasn't constantly getting distracted by her childhood friend, international figure skating star Kokoro Kijinami! In the public eye and on the ice, Kokoro is a gallant, flawless knight, but behind his glittery costumes and breathtaking spins lies a secret: he's actually a hopeless romantic otaku, who can only land his quad jumps when Chitose is on hand to recite a spell from his favorite magical girl anime!

The Witchcraft of Salem Village Shirley Jackson,2011-02-02 Stories of magic, superstition, and witchcraft were strictly forbidden in the little town of Salem Village. But a group of young girls ignored those rules, spellbound by the tales told by a woman named Tituba. When questioned about their activities, the terrified girls set off a whirlwind of controversy as they accused townspeople after townspeople of being witches. Author Shirley Jackson examines in careful detail this horrifying true story of accusations, trials, and executions that shook a community to its foundations.

The Village George Crabbe,1783

The Gifts of the Year Jane Van Cleef,2021-11-02 A story of celebration with the characters of Hazel Village.

Life in a Medieval Village Frances Gies,Joseph Gies,2010-09-07 The reissue of Joseph and Frances Gies's classic bestseller on life in medieval villages. This new reissue of *Life in a Medieval Village*, by respected historians Joseph and Frances Gies, paints a lively, convincing portrait of rural people at work and at play in the Middle Ages. Focusing on the village of Elton, in the English East Midlands, the Gieses detail the agricultural advances that made communal living possible, explain what domestic life was like for serf and lord alike, and describe the central role of the church in maintaining social harmony. Though the main focus is on Elton, c. 1300, the Gieses supply enlightening historical context on the origin, development, and decline of the European village, itself an invention of the Middle Ages. Meticulously researched, *Life in a Medieval Village* is a remarkable account that illustrates the captivating world of the Middle Ages and demonstrates what it was like to live during a fascinating—and often misunderstood—era.

Read Dangerously Azar Nafisi,2022-03-08 The New York Times bestselling author of *Reading Lolita in Tehran* returns with a guide to the power of literature in turbulent times, arming readers with a resistance reading list, ranging from James Baldwin to Zora Neale Hurston to Margaret Atwood. [A] stunning look at the power of reading. ... Provokes and inspires at every turn. -Publishers Weekly (starred review) Remarkable. ... Audacious. -The Progressive Stunningly beautiful and perceptive. -Los Angeles Review of Books What is the role of literature in an era when one political party wages continual war on writers and the press? What is the connection between political strife in our daily lives, and the way we meet our enemies on the page in fiction? How can literature, through its free exchange, affect politics? In this galvanizing guide to literature as resistance, Nafisi seeks to answer these questions. Drawing on her experiences as a woman and voracious reader living in the Islamic Republic of Iran, her life as an immigrant in the United States, and her role as literature professor in both countries, she crafts an argument for why, in a genuine democracy, we must engage with the enemy, and how literature can be a vehicle for doing so. Structured as a series of letters to her father, who taught her as a child about how literature can rescue us in times of trauma, Nafisi explores the most probing questions of our time through the works of Toni Morrison, Salman Rushdie, James Baldwin, Margaret Atwood, and more.

The Cornwall Village Book Cornwall Federation of Women's Institutes,2000 This illustrated book describes Cornwall's villages as they are today and recalls the history, people and events that have made each one unique.

The Lost Village Mark Edward Hall,2003-02-27 For centuries their children have been taken from them by something unspeakable and the residents of James Village have remained strangely apathetic. Now there are several new residents in town and the little ones are beginning to come back

Every Little Thing Mary Lou Sanelli,2021-09-30 A fine-tuned, beautiful book that looks with a sharp eye and a generous spirit at one's sense of place as it was in the five years leading up to 2021. And as it is. Now. So much more than a collection of essays, this is a writer's soul laid bare. Filled with universal experience, every page reveals Sanelli's profound understanding of the strength and resilience of the human spirit. In *Every Little Thing: Small Breakthroughs, Big Mistakes, Endless Lessons*, Sanelli proves that a narrative essay can be wise and vulnerable and nail what matters most in our lives, all in the same breath. No one tells-truth with more heart, humor, and accountability. With a voice that speaks of life as it is everyday lived—with joy, calm, worry, and alarm—Sanelli manages to write lyrically in warm, accessible language. One can learn so much from a writer who, wherever she goes she takes her readers along with her, her experiences becoming

theirs, as well. These writings will make you miss the Northwest even if you've never been there. Gliding on sentences smooth as stone with the brightness of the author's enthusiasm, this book will delight, challenge, reassure, and steer any reader toward a higher capacity to expand life's smallest moments into our grandest triumphs.

My Mama Says Inside Me Lives a Village (2021) Nadine Levitt, 2021-02-18 Inside Me Lives A Village is a new book by Nadine Levitt that empowers children to identify, acknowledge and direct the many feelings that live inside them. Trusted by teachers across the country, this book and accompanying curriculum, teaches kids how to have a healthy relationship with their emotions! Feelings are a part of life, whether you feel happy, angry, sad, or shy, but they can feel even bigger and overwhelming to children. With beautiful illustrations by Miriam Mitzi Rosas each feeling is brought to life as a character that can be welcomed and also directed as desired. It's empowering for kids to understand that emotions do not control us, and we do not control our emotions. But they live inside us all the time, so it's important to have a good relationship with them. We foster a good relationship with emotions by quickly identifying and acknowledging them as they come up. The better our relationship with our emotions, the easier it will be to direct them! This is a must-have book for children, parents, and teachers to talk to kids about the proper way to think, deal and express their many feelings.

Arctic Village Robert Marshall, 1991 This classic is an original work of literature by one of America's foremost conservationists and is an account of the people of the north, both Native and white, who give Alaska its special human flavor. First published over fifty years ago, the book is still a favorite among old-time Alaskans and, over the years, has prompted numerous readers to pack up and move to Alaska. The richness of statistical coverage in this book, and Marshall's careful descriptions of the characters he met, provide readers with a window to the world of 1930 and a nearly complete record of the Koyukuk civilization as he saw it. Readers learn what the people of Wiseman thought about sex, religion, politics, and the myriad of ways they found to cope with and enjoy life in a wilderness community.

If the World Were a Village David J. Smith, 2003 This is the new paperback edition of a beautiful and unique book, which explains facts about the world's population in a simple and fascinating way. Instead of unimaginable billions, it presents the whole world as a village of just 100 people. We soon find out that 22 speak a Chinese dialect and that 17 cannot read or write. We also discover the people's religions, their education, their standard of living, and much much more... This book provokes thought and elicits questions. It cannot fail to inspire children's interest in world geography, citizenship and different customs and cultures, whether they read it at home or at school.

Village Stanley Crawford, 2017-05-09 This rollicking ride through a single day in the ill-fated village of San Marcos will leave you reeling with laughter, even as you cringe at the misadventures of the hapless Porter Clapp and his pitiable wife, Steph; the jaundiced Onésimo Moro and his ever-watchful spouse, Isabel; and the rest of Crawford's riotous cast. At this story's beginning, a meeting notice from the state water agency, posted at the local store, seems to portend an imminent threat to the valley's precious acequias. But perhaps more ominous--at least to the paranoid Clapp--is the possibility of the outside world meddling with the isolation, blissful or not, of this remote Hispanic plaza town. As the time of the meeting looms, we follow the characters through the day and become immersed in a place unnervingly familiar to anyone who has lived in Northern New Mexico. Crawford spares no one from his acerbic wit and skewering prose, yet there remains an unmistakable affection for the marvelously dysfunctional community and the very faults that he so eloquently parodies. As the tale unfolds, we dread the incipient threat from outside the valley less and begin to hope that something will deflect the downward spiral every character seems doomed to follow--but nothing anticipates or prepares us for the denouement that Crawford skillfully delivers, leaving us punch drunk with mirth.

No Man's Land Robert L. Slater, 2022-03-15 Pregnant after an end of the world one-night stand with an old school friend, Lizzie is stuck in The City, some of her chosen family of survivors want to stay, at least for the winter. As powers shift, and a bloodless coup occurs, Lizzie she escapes with Saj, the toddler she rescued from certain death and her friend, Rachael. When Saj and Rachael are captured, Lizzie's once again walks alone straight into the darkness. Now under house arrest at her father's, Lizzie's accused of aiding and abetting in the assassination of The City's benevolent leader Mr. Ray. Lizzie's already lost everyone she cared about once. Now she's lost two more of her family. In NO MAN'S LAND, Lizzie finds people to care for, and causes to fight for, but she still hasn't found the person she needs most. Herself. Ride shotgun while Lizzie fights to save her chosen family, navigating love, loss, as she searches for herself and the way home.

Shoal Water Kip Greenthal, 2023-11-28 Disillusioned by the Vietnam War and their troubled pasts, Kate and Andy leave New York City for a remote Nova Scotia fishing village. In this barren place, they are swept into the rogue wave of change, a love triangle and a tragic accident. Shoal water is a treacherous place. Not out on the deep water, and not on land, it's in a place in between, full of unexpected hazards--submerged sandbars, diffracted waves, counter currents. Shoal Water is also the unflinching account of a woman's passage out of dependence into self-possession as she navigates dangerous waters and gains the power to redeem loss and find forgiveness.

The Village John Strausbaugh, 2013-04-09 Cultural commentator John Strausbaugh's *The Village* is the first complete history of Greenwich Village, the prodigiously influential and infamous New York City neighborhood. From the Dutch settlers and Washington Square patricians, to the Triangle Shirtwaist fire and Prohibition-era speakeasies; from Abstract Expressionism and beatniks, to Stonewall and AIDS, the connecting narratives of *The Village* tell the story of America itself. Illustrated with historic black-and-white photographs, *The Village* features lively, well-researched profiles of many of the people who made Greenwich Village famous, including Thomas Paine, Walt Whitman, Edna St. Vincent Millay, Mark Twain, Margaret Sanger, Eugene O'Neill, Marcel Duchamp, Upton Sinclair, Willa Cather, Jack Kerouac, Allen Ginsberg, Jackson Pollock, Anais Nin, Edward Albee, Charlie Parker, W. H. Auden, Woody Guthrie, James Baldwin, Maurice Sendak, E. E. Cummings, and Bob Dylan.

The Village David Mamet, 1994 The playwright David Mamet's first novel features a remote New England community full of dark undercurrents and brooding silences. The village emerges as a place of complexity and mystery, humour and strength - and becomes as much of a character as the individuals who inhabit it.

This is likewise one of the factors by obtaining the soft documents of this **Village** by online. Village Introduction

In today's digital age, the availability of Village books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Village books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Village books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Village versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Village books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Village books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Village books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Village books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Village books and manuals for download and embark on your journey of knowledge?

FAQs About Village Books

What is a Village PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Village PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. **Print to PDF:** Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. **Online converters:** There are various online tools that can convert different file types to PDF. **How do I edit a Village PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Village PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Village PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
