Jerrold S. Greenberg, Clint E. Bruess, Sarah C. Conklin

Human Sexuality: Diversity in Contemporary America Bryan Strong, William Yarber, Barbara Sayad, 2012-09-13 Human Sexuality: Diversity in Contemporary America presents a forward thinking, open approach to Human Sexuality for today's student. The new lead authors, Bill Yarber and Barbara Sayad, continue to bring their research experience to the book while maintaining the engaging writing style that original author Bryan Strong brought to this best-selling text for years. The first text to achieve a full integration of cutting-edge research with a contemporary sex-positive approach, it also strives to represent the modern, diverse world that students encounter outside the classroom. Both within the text itself and throughout the exemplary art and photo program, the focus is on inclusion. Human Sexuality has been lauded by students and instructors alike for providing the most integrated and non-judgmental view of sexual orientation available. The eighth edition maintains these themes while adding a new contemporary design, streamlined format and significant content and feature revisions and updates.

Human Sexuality Bryan Strong, 2005

Human Sexuality Bryan Strong, Christine DeVault, 1994 Writing from a biblical perspective, Carol Cornish helps readers to discover how God is working in the midst of the deep distress of losing a spouse. She provides the reader with direction in finding true and lasting comfort in Christ. Cornish, who lost her husband of 38 years to lung cancer, encourages widows to use their widowhood for God's glory. Ministry to widows needs to be a priority for Christian communities, and Cornish equips churches, families, and friends to come alongside those mourning the loss of a spouse. The Undistracted Widow includes sections to help widows find renewed identity and purpose. Cornish helps readers trust in God, manage emotions, learn from both biblical and contemporary widows, rethink the past, present, and future, and prepare for what's next. Pastors, churches, and others will benefit from practical appendices. Any woman who is grieving the loss of her husband, or who knows of someone in mourning, will find this to be a valuable resource.

How can varied experiences of Black females and males who are lesbian, gay, bisexual, transgender (LGBT), or straight help inform dialogue and academic inquiry? From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment, Black Sexualities acknowledges the diversity of the Black experience and the shared legacy of racism. Contributors seek resolution to Blacks' understanding of their lives as sexual beings through stories of empowerment, healing, self-awareness, victories, and other historic and contemporary life-course panoramas and provide practical information to foster more culturally relative research, tolerance, and acceptance.
