**Sounds of Soldiers** Ian Pattinson, 2010-02-23 Robert Jones is back from the war. It's been five years. Paris has been flattened, nuclear explosions have lit up the Mediterranean and the US military has destroyed itself fighting imaginary enemies. And Robert was there through it all. How can a man who witnessed some of the most important events of recent history adapt to peace? Reconnecting with friends and family, Robert investigates a newly green Manchester and finds out about life away from the warzone. But there are still some ghosts and secrets from his time on the continent which are ready to come back and shake up Robert's new peaceful life.
