Egg-Drop Blues Jacqueline Turner Banks,2003 Desperate to raise his grade in science, Judge hopes he can succeed in the egg-drop competition he's entered in with his twin brother. Worried, sensitive, and learning to come to terms with dyslexia, Judge tells of his struggles with schoolwork, with a sometimes difficult brother, and with finding his own self-esteem. It's a story that readers will enjoy, sympathize with, and eagerly follow to a happy and logical conclusion.

Raveling Peter Moore Smith,2001-09-30 Raveling is a brilliant thriller about two brothers, their mother, and the sad fact of their little sister's unsolved disappearance twenty years earlier. One of the brothers, Pilot, has come back home to take care of his aging mother, but his own mental state has not been stable since his sister vanished. He is determined at last to find out the truth -- but for every step he takes nearer the facts of that long-ago night, the less he trusts reality. And by the time he finds one incontrovertible piece of evidence, even Pilot cannot be sure what it really means.

The Macintosh Way Guy Kawasaki,1990 The Macintosh Way is a take-no-prisoners guide to marketing warfare says Jean Louis Gasse, President of Apple Products. Must reading for anyone in the high-tech industry, it is valuable, insightful guide to innovation management and marketing for any industry.

Alice Bliss Laura Harrington,2011-06-01 Alice Bliss is fifteen. She's smart, funny, and clever. Not afraid to stand up for the things she believes in. She also idolises her father and, when he leaves home to fight a war she doesn't believe in, Alice is distraught. She and her mother negotiate his absence as best they can - waiting impatiently for his letters, throwing themselves into school and work respectively, bickering intermittently and, in Alice's case, falling for the boy next door - but then they're told that he's missing in action and have to face up to the fact that he may never return. Telling a story of love and loss, of grief and growing up, of family and friendship, Alice Bliss is a powerful, poignant portrayal of a young girl

facing up to the unthinkable. Both intimate and universal, it is, ultimately, a story of a daughter's love for her father.

Gurps Cyberpunk Loyd Blankenship,1990-11-01 -- The book that was confiscated by the Secret Service because they thought it contained hacking secrets! (It doesn't) -- Nominated for the Origins Award for Best Roleplaying Supplement.

Force Ripe Lera Cindy McKenzie,2017-02-05 A touching portrayal of a little girls story, beautifully woven into a work of fiction, through her eyes and in her own lyrical Creole voice. *Force Ripe* is not just another damaged childhood story, but one that depicts an exciting and important part of a Caribbean island's colourful history.

Zion Roses MONICA. MINOTT,2021-07 In *Zion Roses*, her second collection, Monica Minott's poems grasp the reader's attention with a voice that is distinctively personal, both taut and musical--and tender and muscular when the occasion demands. Her language moves seamlessly and always appropriately between standard and Jamaican patwa, a reflection of a vision that encompasses a Black modernity still very much in touch with its aphoristic folk roots, where the ancestral meets Skype or a Jonkonnu band is stuck in a Kingston traffic jam. It is possible to see Minott's poems as being in a constant dialogue between four quadrants of engagement: with history, with landscape, with personal and family experience, and with the worlds of literature, music, and art. Minott's sense of history is deeply informed by a knowledge of the brutalities of commercial empire and of slavery and Black people's struggles against injustice and for selfhood. There is scarcely a poem that does not have some precisely described sense of the materiality of its circumstance and the interactions between the physical world and human feelings. You sense that what sustains a certain bravery of self-exposure and of risk is a sense of belonging to

family.

Guabancex Celia Sorhaindo,2020 Poetry exploring life during and after Hurricane Maria, the Caribbean island of Dominica's worst hurricane.

The Open World Stephanie Johnson,2012-04-05 A fascinating novel about secrets, finding a home and early colonial New Zealand. 'I miss my smiling son more than any other man before or since.' London 1866. Elizabeth Smith is struggling to survive when she hears that her former New Zealand employers, Judge and Lady Martin, are returning to England. Accompanied by her dear friend, the lunatic Reverend Cotton, she makes a pilgrimage to settle old scores. Elizabeth is also accompanied by liberal doses of opiates and two small ghosts, walking by her side, whispering, murmuring, calling her. Award-winning writer Stephanie Johnson lovingly peoples a landscape of the past. Mid-century New Zealand, London and the spa town of Buxton are vividly evoked in a novel about motherhood, earliest colonial days, pharmacology and poreirewa - the yearning for absent loved ones.

My Grandma Loves to Play Winifred "Oyoko" Loving,2013-02
DEDICATION & THANK YOU Dear tiny angels, slippery tadpoles, and sugar bears everywhere! When I was little (just about your age), I visited my grandparents in New Bedford, Massachusetts for summer vacations. Grandma always had fun lessons waiting for us city kids. She brushed our hair, ironed our underwear, and hung the laundry on the clothesline while holding clothespins in her mouth! My brothers and sisters would race through the yard, screaming and yelling, tripping and falling, climbing the cherry tree, and getting our new clothes muddy or dusty or torn. She cooked every meal we ate. No restaurants for us, no sir! We had no television. Grandma said,

Read a book! Write a poem! Let's start a choir! Sing, children! Then she would sit at her piano and lullaby us to sleep after a hard day of having fun! When she had spare time, she would say, Run and hide! This would end up being a fun game of PEEK-A-BOO...Grandma-style! Peek-a-boo was the most amazing, absolute best fun EVER for me! I dedicate my summer memories to Lucy Louise Green Barbour, my grandmother, my mentor, my cherry-pie-from-scratch baker! Now that I am a grandmother, I dedicate this book to Leah Renee, Lilah Gizelle, and Leslie Marie-my three granddaughters! Run! Hide! Grandma's coming! Gender Articulated Kira Hall,Mary Bucholtz,2012-11-12 *Gender Articulated* is a groundbreaking work of sociolinguistics that forges new connections between language-related fields and feminist theory. Refuting apolitical, essentialist perspectives on language and gender, the essays presented here examine a range of cultures, languages and settings. They explicitly connect feminist theory to language research. Some of the most distinguished scholars working in the field of language and gender today discuss such topics as Japanese women's appropriation of men's language, the literary representation of lesbian discourse, the silencing of women on the Internet, cultural mediation and Spanish use at New Mexican weddings and the uses of silence in the Anita Hill-Clarence Thomas hearings.
