Dan Wallace, Lucasfilm Ltd.

**The Case for Marriage** Linda Waite, Maggie Gallagher, 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal*

*Looking for Miss America* Margot Mifflin, 2021-08-03 Winner of the Popular Culture Association's Emily Toth Best Book in Women's Studies Award From an author praised for writing "delicious social history" (Dwight Garner, *The New York Times*) comes a lively account of memorable Miss America contestants, protests, and scandals—and how the pageant, now in its one hundredth year, serves as an unintended indicator of feminist progress *Looking for Miss America* is a fast-paced narrative history of a curious and contradictory institution. From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition, the pageant has indexed women's status during periods of social change—the post-suffrage 1920s, the Eisenhower 1950s, the #MeToo era. This ever-changing institution has been shaped by war, evangelism, the rise of television and reality TV, and, significantly, by contestants who confounded expectations. Spotlighting individuals, from Yolande Betbeze, whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest, to the first black winner, Vanessa Williams, who received death threats and was protected by sharpshooters in her hometown parade, Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement. The pageant's history includes, crucially, those it excluded; the notorious Rule Seven, which required contestants to be "of the white race," was retired in the 1950s, but no women of color were crowned until the 1980s. In rigorously researched, vibrant chapters that unpack each decade of the pageant, *Looking for Miss America* examines the heady blend of capitalism, patriotism, class anxiety, and cultural mythology that has fueled this American ritual.

**American pictures drawn with pen and pencil** Samuel Manning, 1876

*Can You Ever Forgive Me?* Lee Israel, 2015-04-25 An audacious memoir by a down-on-her-luck writer, *Can You Ever Forgive Me?* is Israel's story of the astonishing literary forgeries she conceived and successfully executed for almost two years.

*The Art of Star Wars Rebels Limited Edition* Dan Wallace, Lucasfilm Ltd., 2020-04-24 In the early days of the rebellion, a tight-knit group of rebels from various backgrounds banded together against all odds to do their part in the larger mission of defeating the Galactic Empire, sparking hope across the galaxy. The award-winning team from Lucasfilm Animation brought the beloved occupants of the Ghost into our homes five years ago, now, take a step behind-the-scenes to witness the journey from paper to screen with *The Art of Star Wars Rebels*. Featuring never-before-seen concept art and process pieces along with exclusive commentary from the creative team behind the show.

*Look Alive Out There* Sloane Crosley, 2018-04-03 Sloane Crosley returns to the form that made her a household name in really quite a lot of households: Essays! From the *New York Times*–bestselling author Sloane Crosley comes *Look Alive Out There*—a brand-new collection of essays filled with her trademark hilarity, wit, and charm. The characteristic heart and punch-packing observations are back, but with a newfound coat of maturity. A thin coat. More of a blazer, really. Fans of *I Was Told There'd Be Cake* and *How Did You Get This Number* know Sloane Crosley's life as a series of relatable but madcap misadventures. In *Look Alive Out There*, whether it's playing herself on *Gossip Girl*, scaling active volcanoes, crashing shivas, befriending swingers, or staring down the barrel of the fertility gun, Crosley continues to rise to the occasion with unmatched nerve and electric one-liners. And as her subjects become more serious, her essays deliver not just laughs but lasting emotional heft and insight. Crosley has taken up the gauntlets thrown by her predecessors—Dorothy Parker, Nora Ephron, David Sedaris—and crafted something rare, affecting, and true. *Look Alive Out There* arrives on the tenth anniversary of *I Was Told There'd Be Cake*, and Crosley's essays have managed to grow simultaneously more sophisticated and even funnier. And yet she's still very much herself, and it's great to have her back—and not a moment too soon (or late, for that matter).

*Hacker, Hoaxer, Whistleblower, Spy* Gabriella Coleman, 2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the *Huffington Post* says "knows all of Anonymous' deepest, darkest secrets" "A work of anthropology that sometimes echoes a John le Carré novel." —*Wired* Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, *Hacker, Hoaxer, Whistleblower, Spy* is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of "trolling," the ethics and metaphysics of hacking, and the

origins and manifold meanings of "the lulz."

Good and Cheap Leanne Brown, 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.

**The Commons of Pensacola** Amanda Peet, 2014-08-25 Judith has been divested of her assets and forced to leave her luxurious New York life after her husband's Wall Street scam became headline news. When her daughter Becca and Becca's filmmaker boyfriend pay Judith a visit to the one-bedroom condo Judith now occupies in Pensacola, Florida, everyone's motives are called into question. How will past and present circumstances inform how this family moves into the future?

**The Darkest Evening of the Year** Dean Koontz, 2007-11-27 BONUS: This edition contains an excerpt from Dean Koontz's *The City*. With each of his #1 New York Times bestsellers, Dean Koontz has displayed an unparalleled ability to entertain and enlighten readers with novels that capture the essence of our times even as they bring us to the edge of our seats. Now he delivers a heart-gripping tour de force he's been waiting years to write, at once a love story, a thrilling adventure, and a masterwork of suspense that redefines the boundaries of primal fear—and of enduring devotion. Amy Redwing has dedicated her life to the southern California organization she founded to rescue abandoned and endangered golden retrievers. Among dog lovers, she's a legend for the risks she'll take to save an animal from abuse. Among her friends, Amy's heedless devotion is often cause for concern. To widower Brian McCarthy, whose commitment she can't allow herself to return, Amy's behavior is far more puzzling and hides a shattering secret. No one is surprised when Amy risks her life to save Nickie, nor when she takes the female golden into her home. The bond between Amy and Nickie is immediate and uncanny. Even her two other goldens, Fred and Ethel, recognize Nickie as special, a natural alpha. But the instant joy Nickie brings is shadowed by a series of eerie incidents. An ominous stranger. A mysterious home invasion. And the unmistakable sense that someone is watching Amy's every move and that, whoever it is, he's not alone. Someone has come back to turn Amy into the desperate, hunted creature she's always been there to save. But now there's no one to save Amy and those she loves. From its breathtaking opening scene to its shocking climax, *The Darkest Evening of the Year* is Dean Koontz at his finest, a transcendent thriller certain to have readers turning pages until dawn.

*Bringing the Future Within Reach* Robert S. Arrighi, 2016 The book documents Glenn's many research specialties over those 75 years. Among them are early jet engines and rockets; flight safety and fuel efficiency tested in premier icing and wind tunnels; liquid hydrogen fuel which, despite skeptics like aerospace engineer Wernher von Braun, helped the U.S. win the race to the moon; and electric propulsion, considered key to future space flight. Space enthusiasts, aviation personnel, aerospace engineers, and inventors may be interested in this comprehensive and milestone volume. *Nightwing (2016-)* #81 Tom Taylor, 2021-06-15 Dick Grayson trades out his escrima sticks for a magnifying glass and a sleuth hat to investigate Blüdhaven's new mayor, Melinda Zucco, and find out how the daughter of the man who murdered Dick's parents came to power in Nightwing's city. But his investigative adventure is cut short when he comes face to face with the most horrendous villain in the history of Blüdhaven-HEARTLESS.

*Too Busy to Die* Carl Reiner, 2017-03-20 When Carl made his first stage appearance at the age of six in *Six Who Pass While the Lentils Boil* at P.S. 92 in the Bronx, his mother Bessie told him You were the best one. *Too Busy to Die* starts with that first reminiscence, then follows Carl's earliest forays into show business, in all of which Bessie continued to tell him that You were the best one. Carl tells of how his career might have ended with that first performance at P.S. 92, had it not been for Franklin D. Roosevelt and Carl's brother Charlie, who showed him the newspaper ad announcing that the WPA was sponsoring free acting classes for aspiring actors. Carl takes us behind the scenes when he performed in summer stock and a touring Shakespeare repertory company. His career involved working with eccentric, sometimes outlandish, always colorful people and situations, and all this, while supporting his growing family. As Carl honed his dramatic skills he discovered, oft times through desperation or necessity, that his comedic skills could save the day, by merging both at every opportunity to great success.

**Imitation of Life** Fannie Hurst, 2004-12-07 A reprint of the 1933 classic novel, the basis for two film versions, with a new introduction.

**Superman** J. Michael Straczynski, Eddy Barrows, 2011 Distressed after the destruction of New Krypton, Superman sets out on foot across the United States to reconnect with his roots, using his powers only to help people in need, one by one or a few at a time.

Working on Wife Abuse Betsy Warrior, 1977

**The Letters of Noël Coward** Noël Coward, 2014-10-31 'A uniquely charming and enticing journey through a remarkable life. Coward's own record is made all the more delightful by the wise and helpful interpolations of Barry Day, the soundest authority on the Master that there is.' Stephen Fry 'Precise, witty, remarkably observed and gloriously English' Dame Judi Dench 'Barry Day's analysis is both perceptive and irresistible' Lord Richard Attenborough With virtually all the letters in this volume previously unpublished - this is a revealing new insight into the private life of a legendary figure. Coward's multi-faceted talent as an actor, writer, composer, producer and even as a war-time spy(!), brought him into close contact with the great, the good and the merely ambitious in film, literature and politics. With letters to and from the likes of: George Bernard Shaw, Virginia Woolf, Winston

Churchill, Greta Garbo (she wrote asking him to marry her), Marlene Dietrich, Ian Fleming, Graham Greene, Evelyn Waugh, Fred Astaire, Charlie Chaplin, FD Roosevelt, the Queen Mother and many more, the picture that emerges is a series of vivid sketches of Noel Coward's private relationships, and a re-examination of the man himself. Deliciously insightful, witty, perfectly bitchy, wise, loving and often surprisingly moving, this extraordinary collection gives us Coward at his crackling best. A sublime portrait of a unique artist who made an indelible mark on the 20th century, from the Blitz to the Ritz and beyond.

*Official Congressional Directory* United States. Congress, 1938

**Crazy Like a Fox** Scott Collins, 2004 In the tradition of *The Late Shift* comes the dramatic inside story of how upstart Fox News toppled CNN and MSNBC for cable news supremacy.

**Siracusa** Delia Ephron, 2016-07-12 An electrifying New York Times bestselling novel about marriage and deceit that follows two couples on vacation in Siracusa, a town on the coast of Sicily, where the secrets they have hidden from one another are exposed and relationships are unraveled. With her inimitable psychological astuteness and uncanny understanding of the human heart, Ephron delivers a powerful meditation on marriage, friendship, and the meaning of travel. Set on the sun-drenched coast of the Ionian Sea, *Siracusa* unfolds with the pacing of a psychological thriller and delivers an unexpected final act that none will see coming. One of *People Magazine's* Top 10 Books • A Washington Post Bestseller • A Los Angeles Times Bestseller • A USA Today Bestseller • One of *Vulture's* 100 Greatest Beach Books Ever • A *People Magazine* Summer Reading Pick • One of *Elle*, *InStyle*, and *Marie Claire's* Best of July • A *Publishers Weekly* Best Book of 2016 (Fiction)

The Top Books of the Year Sandra Bullock And Melissa McCarthy *Paper People*.jpg The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. **The Must-Read : Colleen Hoover's "It Ends with Us"** This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. **Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo"** This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. **Discover the Magic : Delia Owens' "Where the Crawdads Sing"** This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. **The Secret History** is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
