**Lowrider Coloring Book** Oscar Nilsson, 2011-04-14 Paint your own lowrider just the way you like it! Impalas, Cadillacs and Rivas. In the Lowrider Coloring Book, you will color the classic and most popular Lowrider models. Lowrider culture reaches back to 1930s Los Angeles, where it became popular for style-conscious Latino-Americans to load their cars with sandbags to bring it closer to the road. Style was everything, and when lowered cars were banned in California in the 1950s, it became necessary to find a way to raise and lower the car simply to avoid fines. The solution was to use hydraulics from old fighter planes left over from World War II. The rapper Kid Frost showcased lowriding in the early 90s hit Lowrider, and since then, the cars are closely associated with hip hop culture. Today, lowriding is bigger than ever with thousands of enthusiasts in most parts of the world. All strive to outdo each other with the most elegant varnish, interior, hydraulics, chrome and rims. The custom cars you'll be coloring in the Lowrider Coloring book were converted by some of the best and most legendary enthusiasts. What color is your Impala?

**Hollywood's Eve** Lili Anolik, 2019-01-08 The quintessential biography of Eve Babitz (1943-2021), the brilliant chronicler of 1960s and 70s Hollywood hedonism and one of the most original American voices of her time. "I practically snorted this book, stayed up all night with it. Anolik decodes, ruptures, and ultimately intensifies Eve's singular irresistible glitz." —Jia Tolentino, *The New Yorker* "The Eve Babitz book I've been waiting for. What emerges isn't just a portrait of a writer, but also of Los Angeles: sprawling, melancholic, and glamorous." —Stephanie Danler, author of *Sweetbitter Los Angeles in the 1960s and 70s* was the pop culture capital of the world—a movie factory, a music factory, a dream factory. Eve Babitz was the ultimate factory girl, a pure product of LA. The goddaughter of Igor Stravinsky and a graduate of Hollywood High, Babitz, age twenty, posed for a photograph with French artist Marcel Duchamp in 1963. They were seated at a chess board, deep in a game. She was naked; he was not. The picture, cheesecake with a Dadaist twist, made her an instant icon of art and sex. She spent the rest of the decade on the Sunset Strip, rocking and rolling, and honing her notoriety. There were the album covers she designed: for Buffalo Springfield and the Byrds, to name but a few. There were the men she seduced: Jim Morrison, Ed Ruscha, Harrison Ford, to name but a very few. Then, at nearly thirty, her It girl days numbered, Babitz was discovered—as a writer—by Joan Didion. She would go on to produce seven books, usually billed as novels or short story collections, always autobiographies and confessionals. Her prose achieved that American ideal: art that stayed loose, maintained its cool; art so sheerly enjoyable as to be mistaken for simple entertainment. Yet somehow the world wasn't paying attention. Babitz languished. It was almost twenty years after her last book was published, and only a few years before her death in 2021 that Babitz became a literary star, recognized as not just an essential L.A. writer, but the essential. This late-blooming vogue bloomed, in large part, because of a magazine profile by Lili Anolik, who, in 2010, began obsessively pursuing Babitz, a recluse since burning herself up in a fire in the 90s. Anolik's elegant and provocative book is equal parts biography and detective story. It is also on dangerously intimate terms with its subject: artist, writer, muse, and one-woman zeitgeist, Eve Babitz. "A dazzling, gossip-filled biography of the wayward genius who knew everyone in Seventies LA." —*The Telegraph* (UK)

**The Dishonoured** Aamina Ahmad, 2016-03-14 Surrounded by lies and deceit how do you work out who is telling the truth? **Tacky** Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column “Store-Bought Is Fine” Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one’s commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation’s obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory’s gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in “You Wanna Be On Top,” Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King’s trademark humor. **Major Labels** Kelefa Sanneh, 2021-10-05 One of Oprah Daily’s 20 Favorite Books of 2021 • Selected as one of Pitchfork’s Best Music Books of the Year “One of the best books of its kind in decades.” —The Wall Street Journal An epic achievement and a huge delight, the entire history of popular music over the past fifty years refracted through the big genres that have defined and dominated it: rock, R&B, country, punk, hip-hop, dance music, and pop Kelefa Sanneh, one of the essential voices of our time on music and culture, has made a deep study of how popular music unites and divides us, charting the way genres become communities. In Major Labels, Sanneh distills a career’s worth of knowledge about music and musicians into a brilliant and omnivorous reckoning with popular music—as an art form (actually, a bunch of art forms), as a cultural and economic force, and as a tool that we use to build our identities. He explains the history of slow jams, the genius of Shania Twain, and why rappers are always getting in trouble. Sanneh shows how these genres have been defined by the tension between mainstream and outsider, between authenticity and phoniness, between good and bad, right and wrong. Throughout, race is a powerful touchstone: just as there have always been Black audiences and white audiences, with more or less overlap depending on the moment, there has been Black music and white music, constantly mixing and separating. Sanneh debunks cherished myths, reappraises beloved heroes, and upends familiar ideas of musical greatness, arguing that sometimes, the best popular music isn’t transcendent. Songs express our grudges as well as our hopes, and they are motivated by greed as well as idealism; music is a powerful tool for human connection, but also for human antagonism. This is a book about the music everyone loves, the music everyone hates, and the decades-long argument over which is which. The opposite of a modest proposal, Major Labels pays in full.

**Good Drinks** Julia Bainbridge, 2020-10-06 A serious and stylish look at sophisticated nonalcoholic beverages by a former Bon Appétit editor and James Beard Award nominee. “Julia Bainbridge resets our expectations for what a ‘drink’ can mean from now on.”—Jim Meehan, author of Meehan’s Bartender Manual and The PDT Cocktail Book NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY Bon Appétit • Los Angeles Times • Wired • Esquire • Garden & Gun Blackberry-infused cold brew with almond milk and coconut cream. Smoky tea paired with tart cherry juice. A bittersweet, herbal take on the Pimm’s Cup. Writer Julia Bainbridge spent a summer driving across the U.S. going to bars, restaurants, and everything in between in pursuit of the question: Can you make an outstanding nonalcoholic drink? The answer came back emphatically: “Yes.” With an extensive pantry section, tips for sourcing ingredients, and recipes curated from stellar bartenders around the country—including Verjus Spritz, Chicha Morada Agua Fresca, Salted Rosemary Paloma, and Tarragon Cider—Good Drinks shows that decadent brunch cocktails, afternoon refreshers, and evening digestifs can be enjoyed by anyone and everyone.

**How to Rap 2** Paul Edwards, Gift of Gab, 2013-09-01 This sequel to How to Rap breaks down and examines techniques that have not previously been explained—such as triplets, flams, lazy tails, and breaking rhyme patterns. Based on interviews with hip-hop’s most innovative artists and groups, including Tech N9ne, Crooked I, Pharcyde, Das EFX, Del the Funky Homosapien, and Big Daddy Kane, this book takes you through the intricacies of rhythm, rhyme, and vocal delivery, delving into the art form in unprecedented detail. It is a must-read for MCs looking to take their craft to the next level, as well as anyone fascinated by rapping and its complexity.

**Arty Parties** Julia Sherman, 2021-10-26 In her follow-up cookbook to Salad for President, cook, writer, and artist Julia Sherman shows us how to apply an artist’s touch to our own home gatherings. Artists throw superior parties, and we can learn from their willingness to draw outside the lines, choose character over perfection, and find boundless joy in feeding family and friends. Cook, live, and host like an artist with inspired, easy recipes and playful hands-on experiments in the kitchen. Sherman shows you how to be the architect of your own uniquely memorable bash, whether that means a special breakfast for two, or a “choose your own adventure” meal that’s flexible enough to feed a crowd. Forget the codified markers of good taste—Arty Parties instead reveals that modern gatherings are less about “getting it right” and more about getting your hands dirty, building community, and taking risks in the kitchen and beyond. Featuring colorful food that is confident in its simplicity, Sherman shares easy-to-follow, healthy recipes that value imaginative flavor combinations over complexity: dishes like an avocado-lemongrass panna cotta, saffron tomato soup, coconut rice cakes with smashed avocado and soy-marinated eggs, and roasted broccolini and blood oranges with a creamy pepita sauce. This book also invites readers into the idiosyncratic gatherings of internationally acclaimed artists, from a chic office party in a Parisian art book publisher’s atelier to an underground earth oven pizza party on a secluded hillside in Los Angeles. Woven throughout are Sherman’s own homegrown events that are relatable yet wonderfully experimental in tone. Utterly unique and beautifully designed, Arty Parties is a guide to creating meaningful experiences that nourish both the host and their guests in body, mind, and soul.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian’s book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian’s classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
