Fable: Jack of Blades (Short Story) Peter David, 2012-05-22
Fable™ Heroes, available May 2, 2012, on Xbox Live Arcade, gathers a range of heroes and villains from across the epic videogame saga—and the Fable™ companion eBook series delves even deeper into their greatest triumphs, darkest secrets, and never-before-seen origins. In the second eBook short story, evil will be unmasked—but nothing is ever what it seems when Jack of Blades has the upper hand. Finally, the people of Albion are safe. Jack of Blades, the supernatural terror, has been slayed . . . or at least, that's what they've been told. But the residents of Oddwood know that Jack is alive and well. Leading a small force of mercenaries, Jack has enslaved the townsfolk and is enjoying a life of luxury—until an unassuming young man arrives on the scene, inadvertently thwarting Jack at every step. Living up to his merciless reputation, Jack of Blades decides upon a suitable punishment: throwing the newcomer into a cage with a flesh-eating Balverine. Little does Jack realize that he's dealing with a wild card—and a shocking twist to the Fable™ saga. © 2012 Microsoft Corporation. All Rights Reserved. Music Scenes Andy Bennett, Richard A. Peterson, 2004 While more than 80 percent of the world's commercial music is controlled by four multinational firms, most music is made and enjoyed in diverse situations divorced from such corporate behemoths. These fourteen original essays examine the fascinating world of music scenes, those largely inconspicuous sites where clusters of musicians, producers, and fans explore their common musical tastes and distinctive lifestyle choices. Although most music scenes come and go with hardly a trace, they nevertheless give immense satisfaction to their participants, and a few - New York bop jazz, Merseybeat, Memphis rockabilly, London punk, Bronx hip-hop - achieve fame and spur musical innovations. To date, serious study of the scenes phenomenon has focused mainly on specific music scenes while paying less attention to recurrent dynamics of scene life, such as how individuals construct and negotiate scenes to the various activities. This volume remedies that neglect. The editors distinguish between three types of scenes - local, translocal, and virtual - which provide the organizing framework for the essays. Aspects of local scenes, which are confined to specific areas, are explored through essays on Chicago blues, rave, karaoke, teen pop, and salsa. The section on translocal scenes, which involve the coming together of scattered local scenes around a particular type of music and lifestyle, includes articles on Riot Grrrls, goths, art music, and anarcho-punk. Aspects of virtual scenes, in which fans communicate via the internet, are illustrated using alternative country, the Canterbury sound, postrock, and Kate Bush fans. Also included is an essay that shows how the social conditions in places where jazz was made influenced that music's development.

Achtung-Panzer! Heinz Guderian, 1955 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War.

Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Age of Fable Thomas Bulfinch, 1855

Tortured Cardboard Philip E. Orbanes, 2019-07-23 The term “tortured cardboard” sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you’ll learn, great board games often reflect whatever “tortures” culture. Each gained immortality after a chaotic beginning and a chance survival. Why? Because—be it chess, backgammon, Clue®, Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others featured in this book—each is replete with “lessons” applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. “Tortuous” is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. Tortured Cardboard reveals how the great ones came to endure and—all fun aside—how each teaches us something about our own behavior while providing “rules” that can work in your life.

Life After Darkness Michelle Knight, 2018-05-01 From Michelle Knight-Cleveland kidnapping survivor and #1 New York Times bestselling author of Finding Me comes an inspirational book about healing and resilience, on the five-year anniversary of her

escape. Michelle Knight -- now known as Lily Rose Lee -- captured the world's attention in May 2013, when she and two fellow kidnapping victims were found and freed after being held for more than a decade by notorious Cleveland kidnapper Ariel Castro. But many people are still asking: What happened after her escape? How do you re-enter society after years of abuse and isolation? How do you get past the trauma and live a happy and joy filled life? How do you learn to trust again? In *Life After Darkness*, published on the fifth anniversary of her liberation, Lily describes how she managed to heal the wounds to her body, mind, and soul-wounds, she reveals, that were first inflicted even before her kidnapping. With the help of good friends and anchored by her own inner strength, she takes us with her step by step on her journey out of darkness into the light. An inspiring story -- and for anyone who has dared to hope after suffering, a guidebook to finding new purpose for a meaningful life.
