The Women of Little Lon Barbara Minchinton,2021-08-16 A vivid account of a remarkable but little-known chapter in Melbourne's history Sex workers in nineteenth-century Melbourne were judged morally corrupt by the respectable world around them. But theirs was a thriving trade, with links to the police and political leaders of the day, and the leading brothels were usually managed by women. While today a city lane is famously named after Madame Brussels, the identities of the other 'flash madams', the 'dressed girls' who worked for them and the hundreds of women who solicited on the streets of the Little Lon district of Melbourne are not remembered. Who were they? What did their daily lives look like? What became of them? Drawing on the findings of recent archaeological excavations, rare archival material and family records, historian Barbara Minchinton brings the fascinating world of Little Lon to life. Barbara Minchinton is a historian and independent researcher. For several years she collaborated with a team of archaeologists on the interpretation of artefacts from Melbourne's Little Lon district. She is the co-editor of *The Commonwealth Block*, Melbourne, a historical archaeology of the city's working-class and immigrant communities, and the author of *The Women of Little Lon*.

The Life and Death of Sophie Stark Anna North,2016-06-14 Winner of the 2016 Lambda Literary Award for Bisexual Fiction "I read *The Life*

and Death of Sophie Stark with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story.”—Emma Donoghue, New York Times bestselling author of Room “This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy.”—Lena Dunham Who is Sophie Stark? A brilliant filmmaker, a lover, a wife, a friend, a traitor. A troubled misfit who becomes a star, at great cost to the people who love her and, ultimately, to herself. Gripping and provocative, The Life and Death of Sophie Stark is a story of the power of art to transform lives and to destroy them, and of an artist’s drive to create something greater than herself, even if it means sacrificing everything—and everyone—she loves.

Scarlet Citadel for 5th Edition Steve Winter,2021-08-17 Once a functional fortress where wizards honed their eldritch craft, little now remains of the Scarlet Citadel--on the surface. The place now has a sinister and deadly reputation among adventurers and lorekeepers, and for good reason. The dungeon's well-trod stairs have seen few return from their journeys below. Here, deep underground, dwarven mercenaries once bred their owlbears for war, sorcerers from the White Forest practiced their arts, and strange cults from other realms drew from mysterious nodes of power. Ancient treasures and secrets are still scattered everywhere. Malevolent creatures spin shadowy webs, enchant foul magics, and summon forth dark gods. The Scarlet Citadel for 5th Edition hardcover is: * A massive hardcover tome containing a classic-style adventure for 10 levels of play, fully compatible for D&D 5E. * Easily paired with the Scarlet Citadel Map Folio, a fold-out set of playable battle maps from Kobold Press. * Suited for newcomers to tabletop RPGs as well as long-time Game Masters. * Optimized for evocative combats and magical mysteries, and brimming with plots and subplots to uncover. * Full of original traps and new monsters as well as a complete write-up of the nearby town of Redtower, where the adventurers can set up a home base.

The Dragon's Gift Terese Tse Bartholomew,John Johnston,Honolulu Academy of Arts,2008 The Dragon's Gift offers a rare opportunity to introduce, to the wider international audience, some of the most sacred Buddhist images of Bhutan. From the wealth of material surveyed, the organizers of the exhibition have selected over one hundred objects of superior aesthetic achievement and deep religious significance, the vast majority of which have never before been seen in the West. Nearly all of the works of art presented in this catalogue are from active temples and monasteries and remain in ritual use. Most of the items are painted or textile thangkhas or gilt bronze sculptures which date primarily from the 17th to the 19th centuries - a golden age in the Buddhist arts of Bhutan. Ranging from depictions of Tantric deities to individualized portraits of Buddhist masters, the exhibition and catalogue present outstanding works of art with a wide iconographic scope. For the Buddhist people of Bhutan, these sacred items are conceived as supports along the journey to enlightenment, and are of vital spiritual significance. Complementing the presentation of sacred works of art is the documentation of the ancient Cham dances of Bhutan, to which the dance preservation team was given privileged entree. Having documented over three hundred hours of sacred and secular dances, they have made a first assay of one of the few surviving treasures of the trans-Himalayan movement tradition. These differing approaches to the visual and moving arts provide further insight into the unique experience of Buddhism in Bhutan. A brief sampling of the variety of extant dance lineages - some many centuries old - is included on the DVD contained within the catalogue.--Publisher's website.
