**David Whyte Essentials** David Whyte,2019-12-06 It is not a coincidence that this book will slide easily into your jacket pocket; you'll want to keep it close for unexpected moments, those gifts of small, beckoning spaciousness amidst all our obligations and necessities. In addition to works written over a span of many years, plus one new poem and one new essay, the book contains David's personal reflections for many of the pieces, providing deeper context to its meaning. In some ways an artistic representation of a close circle of companionship to the work and to the man : edited by his wife, and designed and typeset by close friends Edward Wates and John Nielson, the book forms an elegant testament to David Whyte's most closely-held understanding - that human life cannot be apportioned out as one thing or another; rather, it is best lived as a living conversation, a way between and beyond, made beautiful by darkness as well as light, at its essence both deeply solitary and profoundly communal.--publisher's description.

*The Ladies of the Secret Circus* Constance Sayers, 2021-03-23 From the author of *A Witch in Time* comes a magical story

spanning from Jazz Age Paris to modern-day America of family secrets, sacrifice, and lost love set against the backdrop of a mysterious circus. Paris, 1925: To enter the Secret Circus is to enter a world of wonder—a world where women weave illusions of magnificent beasts, carousels take you back in time, and trapeze artists float across the sky. Bound to her family's circus, it's the only world Cecile Cabot knows until she meets a charismatic young painter and embarks on a passionate affair that could cost her everything. Virginia, 2004: Lara Barnes is on top of the world until her fiancé disappears on their wedding day. When her desperate search for answers unexpectedly leads to her great-grandmother's journals, Lara is swept into a story of a dark circus and ill-fated love. Soon secrets about Lara's family history begin to come to light, revealing a curse that has been claiming payment from the women in her family for generations. A curse that might be tied to her fiancé's mysterious disappearance Praise for *The Ladies of the Secret Circus*: At times decadent and macabre, *The Ladies of the Secret Circus* is a mesmerizing tale of love, treachery, and depraved magic percolating through four generations of Cabot women. —Luanne G. Smith, author of *The Vine Witch* Fans of Erin Morgenstern's *The Night Circus* will love this page-turning story of dark magic, star-crossed love, and familial sacrifice. —Publishers Weekly (starred review) Ambitious and teeming with magic, Sayers creates a fascinating mix of art, *The Belle Époque*, and more than a little murder." —Erika Swyler, author of *The Book of Speculation* For more from Constance Sayers, check out *A Witch in Time*.

*Tortured Cardboard* Philip E. Orbanes, 2019-07-23 The term "tortured cardboard" sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you'll learn, great board games often reflect whatever "tortures" culture. Each gained immortality after a chaotic beginning and a chance survival. Why? Because—be it chess, backgammon, Clue®, Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others

featured in this book—each is replete with “lessons” applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. “Tortuous” is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. Tortured Cardboard reveals how the great ones came to endure and—all fun aside—how each teaches us something about our own behavior while providing “rules” that can work in your life.

The Good Lie A. R. Torre,2021-07-20 Six teens murdered. A suspect behind bars. A desperate father. In a case this shadowy, the truth is easy to hide. Psychiatrist Dr. Gwen Moore is an expert on killers. She's spent a decade treating California's most depraved predators and unlocking their motives--predators much like the notorious Bloody Heart serial killer, whose latest teenage

victim escaped and then identified local high school teacher Randall Thompson as his captor. The case against Thompson as the Bloody Heart Killer is damning--and closed, as far as Gwen and the media are concerned. If not for one new development... Defense attorney Robert Kavin is a still-traumatized father whose own son fell prey to the BH Killer. Convinced of Thompson's innocence, he steps in to represent him. Now Robert wants Gwen to interview the accused, create a psych profile of the killer and his victims, and help clear his client's name. As Gwen and Robert grow closer and she dives deeper into the investigation, grave questions arise. So does Gwen's suspicion that Robert is hiding something--and that he might not be the only one with a secret.
