**Robert Coover**

Shell Game Benny Lawrence, 2013 Life in a remote fishing village in the middle of a civil war is neither safe nor inspiring. So, when an opportunity comes along for village girl Lynn to be kidnapped and enslaved by Darren, a ruthless pirate queen, she takes full advantage of it. But Darren is neither as ruthless nor as piratical as she appears at first glance--and Lynn's not exactly what she seems to be, either. In between encounters with old girlfriends, a slow death involving marmalade, and bounty hunters with no sense of humor, Lynn and her new mistress attempt to work out exactly what they are to each other--and who's in charge.

**If Anything Happens I Love You Will**

McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**One-Hour Wargames** Neil Thomas, 2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour—includes rule sets and scenarios for most popular periods. One of the biggest problems facing wargamers is finding the time to actually play. Most commercially available games require several hours to set up and see to a conclusion; some can even take a whole day or weekend to complete. Apart from time, lack of space can also keep wargamers from enjoying their favorite pastime. In *One-hour Wargames*, veteran gamer and rule-writer Neil Thomas has addressed both problems. Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor. The book contains 8 all-new sets of very simple rules for various periods—from Ancient to WW2—and thirty stimulating scenarios which can be played using any of them. All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield. The rules only require a small number of miniatures, so this really is an ideal way for new gamers, or veterans trying a new period, to get started with minimal investment of time and money. Also ideal for a quick game in the evening with a friend. Also included are sections on campaigns and solo games.

**D&D Character Sheets** Wizards Rpg Team, 2017-06-20

**Dragon Rampant** Daniel Mersey, 2015-12-20 Whether you're a nameless Dark Lord looking to conquer the known world, a Champion of Light holding out against the forces of evil or a Northern barbarian

facing claimants to a stolen throne, Dragon Rampant allows you to bring those battles to the tabletop. Developed from the popular Lion Rampant system, Dragon Rampant is a standalone wargame that recreates the great battles of Fantasy fiction. Scenarios, army lists, and full rules for magic and monsters give players the opportunity to command unruly orc warbands, raise armies of the undead, campaign across an antediluvian world as the warchief of a barbarian tribe, or exploit the power of mighty creatures and extraordinary sorcery. An army usually consists of 6–8 units comprised of 6–12 individually based figures. These small units move and fight independently, assuming that they follow your orders rather than just doing their own thing. Command and control is just as important on the battlefield as the power of a troll chieftain or the magic of an archmage.

**A Night at the Movies, Or, You Must Remember**

**this** Robert Coover, 1992 From Hollywood B-movies to Hollywood classics, *A Night at the Movies* invents what might have happened in these Saturday afternoon matinees. Mad scientists, vampires, cowboys, dance-men, Chaplin, and Bogart, all flit across Robert Coover's riotously funny screen,

doing things and uttering lines that are as shocking to them as they are funny to the reader. As Coover's Program announces, you will get Coming Attractions, The Weekly Serial, Adventure, Comedy, Romance, and more, but turned upside-down and inside-out.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Beggar's Flip** Benny Lawrence,2019-07-15 A sequel to Shell Game, Darren--socially awkward, exiled noblewoman turned pirate queen--and Lynn sorta kinda Darren's slave girl, sorta kinda Darren's life coach, and altogether the bossiest backseat helmsman that ever set foot on a pirate ship are at it . . . again. Darren receives a message

delivered by her dying brother pleading for her to warn their father about a traitor. Meaning Darren has to return home to Torasan Isle, and to the father who keeps sending assassins after her. Lynn thinks it's crazy, insane, and obviously certain death for Darren, and is not overly happy about the idea. As usual, Lynn is right and chaos ensues.
