Goddess and Mythology Coloring Book Selina Fenech,2016-07-13 Explore your inner goddess and discover peace and power through coloring with this goddess and mythology inspired coloring book by Selina Fenech. This coloring book features 25 goddesses, gods, and female characters from many world mythologies, ready to be brought to life with color! This book includes TWO full sets of the 25 artworks, for a total of 50 pages to color in. Page size is 8.5x11inches, letter size. Images on one side only for easy removal and display. Images are framed within the page, not full bleed. These intricate designs are suitable for adults and experienced colorists. Parental discretion advised for younger artists as some artworks contain artistic/concealed nudity and sensual goddess imagery. Goddesses from all over the world, including Antheia, Aphrodite, Arianrhod, Athena, Blodeuwedd, Cerridwen, Coventina, Diana, Echo, Fidelma, Gaia, Guanyin, Horned God and Goddess, Ishtar, Isis, Lady of the Lake, Morrigan Triple Goddess, Nuwa, Oshun, Rhiannon, Selene, Shiva and Parvati, Tempestas, Valkyrie, Wiccan god and goddess. From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer

warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
