V for Vendetta Steve Moore, Andy Wachowski, Alan Moore, Larry Wachowski, David Lloyd, 2006 In a not-too-distant future, Britain is ruled by a totalitarian regime and Evey, a young woman, is rescued from certain death by a masked vigilante, who launches a one-man crusade against government tyranny and oppression.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Flashman and the Mountain of Light George MacDonald Fraser, 2013-06-18 This ninth volume of The Flashman Papers finds that history's most unheroic hero, Sir Harry Flashman, is back in India, where his saga began. This time, our hero is sent by Her Majesty's Secret Service to spy on the corrupt court of Lahore, on India's Northwest Frontier. Flashy deals with a ravishing maharini and her equally sex-hungry maid, joins forces with an American adventurer with royal ambitions, and attempts to win the brightest jewel in England's imperial crown at the cost of something he will never miss—namely, his honor.

The Prisoner in the Mask Dennis Wheatley, 2013-10-10 Why would a French aristocrat renounce his country and live in exile? The answer lies in the Paris of the 1890s; a world of superficial glamour but, under the surface, deep social and political strife. The army, discredited by the Dreyfus case, was being purged. The young de Richleau, cadet and then instructor at the military academy of St. Cyr, became involved in a conspiracy - to restore the French monarchy - with the Duc de Vendome being secretly coached in his future role of King. What happens if the conspiracy is betrayed? For some: death. For de Richleau, the life of a fugitive who has declared a single-handed vendetta against the government.

Dali's Mustache Philippe Halsman, 1996-01-15 Cult classic and collector's item, Dali's Mustache is the result of the astonishing artistic collaboration between surrealist Salvador Dalí and experimental photography pioneer Philippe Halsman. Dalí and Halsman were friends as well as professional collaborators for more than three decades. Subtitled A Photographic Interview, the concept of the book is one short question presented to Dalí, which Dalí answers, followed by a corresponding black-and-white photograph by Halsman. The photographs are intentionally

absurd and hilarious. Early editions of this book came with a warning on the back that said "Warning! This book is preposterous." Question: I have the feeling, to have discovered your secret, Salvador. Could it be that you are crazy? Answer: I am certainly saner than the person who bought this book.

Beginners Guide to Papercraft Longmeadow Press Staff, 1995-09

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
