RIVER CLYDE: The word-of-mouth BESTSELLER Simone Buchholz,2022-01-17 Chastity Riley travels to Scotland to face the demons of her past, as Hamburg is hit by a major arson attack. Queen of Krimi, Simone Buchholz returns with the nail-biting fifth instalment in the electric Chastity Riley series ... and this time things are personal... 'Simone Buchholz writes with real authority and a pungent, noir-ish sense of time and space ... a palpable hit' Independent 'Reading Buchholz is like walking on firecrackers ... a truly unique voice in crime fiction' Graeme Macrae Burnet ----- Mired in grief after tragic recent events, state prosecutor Chastity Riley escapes to Scotland, lured to the birthplace of her great-great-grandfather by a mysterious letter suggesting she has inherited a house. In Glasgow, she meets Tom, the ex-lover of Chastity's great aunt, who holds the keys to her own family secrets – painful stories of unexpected cruelty and loss that she's never dared to confront. In Hamburg, Stepanovic and Calabretta investigate a major arson attack, while a group of property investors kicks off an explosion of violence that threatens everyone. As events in these two countries collide, Chastity prepares to face the inevitable, battling the ghosts of her past and the lost souls that could be her future and, perhaps, finally finding redemption for them all. Nail-bitingly tense and breathtakingly emotive, River Clyde is both an electrifying, pulse-pounding thriller and a poignant, powerful story of damage and hope, and one woman's fight for survival. ----- Praise for the Chastity Riley series '[A] nerve-racking narrative ... [with] a cunning climax that is shocking and deeply romantic' The Times 'Modern noir, with taut storytelling, a hard-bitten heroine, and underlying melancholy peppered with wry humour ... there's a fizz, a poetry and a sense of coolness' New Zealand Listener 'The coolest character in crime fiction ... Darkly funny and written with a huge heart' Big Issue 'Fierce enough to stab the heart' Spectator 'A stylish, whip-smart thriller' Herald Scotland 'Combines slick storytelling with substance ... like a straight shot of top-shelf liquor: smooth yet fiery, packing a punch with no extraneous ingredients watering things down' Mystery Scene 'Caustic, incisive prose. A street-smart, gutsy heroine. A timely and staggeringly stylish thriller' Will Carver 'With plenty of dry humour and a good old dash of despair, Simone Buchholz is an unconventional, refreshing new voice' Crime Fiction Lover 'With brief, pacy chapters and fizzling dialogue, this almost feels like American procedural noir and not a translation' Maxim Jakubowski 'There is a fantastic pace to the story which keeps you hooked from the first sentence all the way to the end a unique voice that delivers a stylish story' NB Magazine 'A smart and witty book that shines a probing spotlight on society' CultureFly 'Fans of Brookmyre could do worse than

The Art and Flair of Mary Blair (Updated Edition) John Canemaker,2014-05-20 For more than a dozen years, a soft spoken, unassuming woman dominated design at The Walt Disney Studios with a joyful creativity and exuberant color palette that stamped the look of many classic Disney animated features, including Cinderella and Peter Pan. Favorite theme park attractions, most notably the It's A Small World boat ride, originally created for the 1964 New York World's Fair, were also among her designs. Now the story behind one of Walt's favorite artists is celebrated in this delightful volume of whimsical art and insightful commentary. In her prime, Mary Blair was an amazingly prolific American artist who enlivened and influenced the not-so-small worlds of film, print, theme parks, architectural decor, and advertising. Her art represented and communicated pure pleasure to the viewer. Mary Blair's personal flair was at one with the imagery that flowed effortlessly and continually from her brush for more than half a century. Walt Disney loved her art and championed it at the Studio. The two shared many sensibilities, including a childlike fondness for playfulness in imagery.

Timeless Learning Ira Socol,Pam Moran,Chad Ratliff,2018-08-07 Reinvent public schools with proven, innovative practices Our homes, communities, and the world itself need the natural assets our children bring with them as learners, and which they often lose over time on the assembly line that pervades most of the public education system today. We see no actions as more important in school than developing, supporting, and reinforcing children's sense of agency, the value of their voices, and their potential to influence their own communities. In Timeless Learning, an award-winning team of leaders, Chief Technology Officer Ira Socol, Superintendent Pam Moran, and Lab Schools Principal Chad Ratliff demonstrate how you can implement innovative practices that have shown remarkable success. The authors use progressive design principles to inform pathways to disrupt traditions of education today and show you how to make innovations real that will have a timeless and meaningful impact on students, keeping alive the natural curiosity and passion for learning with which children enter school. Discover the power of project-based and student-designed learning Find out what “maker learning” entails Launch connected and interactive digital learning Benefit from the authors’ “opening up learning” space and time Using examples from their own successful district as well as others around the country, the authors create a deep map of the processes necessary to move from schools in which content-driven, adult-determined teaching has been the traditional norm to new learning spaces and communities in which context-driven, child-determined learning is the progressive norm.

Launch John Spencer,Visiting Senior Lecturer in Law John Spencer, (Mi,A. J. Juliani,2016-05-15 Something happens in students when they define themselves as makers and inventors and creators. They discover powerful skills-problem-solving, critical thinking, and imagination-that will help them shape the world's future ... our future. If that's true, why isn't creativity a priority in more schools today? Educators John Spencer and A.J. Juliani know firsthand the challenges teachers face every day: School can be busy. Materials can be scarce. The creative process can seem confusing. Curriculum requirements can feel limiting. Those challenges too often bully creativity, pushing it to the side as an enrichment activity that gets put off or squeezed into the tiniest time block. We can do better. We must do better if we're going to prepare students for their future. LAUNCH: Using Design Thinking to Boost Creativity and Bring Out the Maker in Every Student provides a process that can be incorporated into every class at every grade level ... even if you don't consider yourself a creative teacher. The Fairy's Mistake Gail Carson Levine,1999-03-21 Gail Carson Levine charmed the world with Ella Enchanted, her spirited retelling of the Cinderella story. Now this award-winning author turns her attention to two more classic fairy tales, and deftly turns them upside down and inside out with her trademark wit and hilarity. In The Fairy's Mistake, two very different sisters have two very different encounters with the fairy Ethelinda. Rosella is kind and helpful. Her reward: Jewels and gems tumble out of her mouth whenever she speaks. Myrtle is rude and spiteful. Her punishment: Bugs and vipers slither out of her mouth. The fairy Ethelinda feels she's meted out justice just right--until she discovers Rosella has been locked up by a greedy prince and Myrtle is having the time of her life! In The Princess Test, King Humphrey has decided it's time for his son, Prince Nicholas, to marry. But he must make sure the bride is a real princess. So he devises a series of princess tests, designed to weed out the phonies and the fakes. Meanwhile, Nicholas has fallen in love with Lorelei, a mere blacksmith's daughter. She's no princess, but he wants to marry her all the same--but how will she ever pass the terrible tests? In these first two delightfully entertaining, laugh-out-loud Princess Tales, Gail Levine gently spoofs the notion that fairies are always right and that tests can ever prove a person's worth, but holds fast to the notion that true love will always win in the end.
