The Legacy of Liberalism Al Carthill,1924

*Legacy of Kain* Mel Odom,2000-01-27 At the end of Blood Omen: Legacy of Kain, you're given the choice to either sacrifice yourself and bring peace to Nosgoth or become its evil dictator. Legacy of Kain: Soul Reaver picks up a millennium after Kain's dark decision to rule the world; you play as Raziel, one of Kain's vampire followers and now his sworn enemy. It's up to you to return to Nosgoth, conquer Kain, and provide the underworld with fresh souls.

*Genius #2* Adam Freeman,Marc Bernardin,2014-08-13 GENIUS: ISSUES 1-5, WEEKLY  
THROUGHOUT AUGUST The Winner of Top Cow's Pilot Season makes its triumphant return to print! What if the greatest military mind of our generation was born to a people who are already supremely conditioned to wage war, who know nothing but violence since birth, and must continually adapt to new predators in order to survive? What if the second coming of Alexander the Great, of Genghis Khan, of Napoleon, of Patton...what if it was a teenaged girl from South Central, L.A. named Destiny?

And what if she decides to secede three blocks of the 'Hood from the Union? Who is going to take it back from her and her army of gangbangers? Who CAN? From writers MARC BERNARDIN and ADAM FREEMAN (Alphas, X-Men Origins: Nightcrawler, The Authority, The Highwaymen) and rising-star artist AFUA RICHARDSON comes a harrowing, action-packed tale of a city that declares war on a brilliant young woman pushed to the edge.

RESURRECTION, before the team takes over the regular series with SPAWN #251!

Butterfly #1 Arash Amel, Marguerite Bennett, 2014-09-24 WHY WE LOVE IT: We've all spent hours glued to episodes of shows like True Detective and House of Cards that explore deeply flawed and morally complex characters. In BUTTERFLY, screenwriter Arash Amel (Grace of Monaco, Erased) brings that aesthetic to comics and the espionage genre, exploring the true nature of people who devote their lives to covert ops and the deceit, solitude, and violence that comes with it. WHY YOU'LL LOVE IT: Marguerite Bennett has been making a name for herself with her work on Lois Lane, Batgirl, and Earth 2: World's End and we can't wait for fans to see how she explores the dark world of

spycraft. There's no one better in the espionage genre than Antonio Fuso, the artist behind the critically acclaimed run of GI Joe: Cobra. It's the perfect creative team for a morally complex story of violence and family set in the web of a global conspiracy. WHAT IT'S ABOUT: Butterfly is one of Project Delta's deep cover agents, no birth certificate, no social security number, a complete ghost. When her cover is blown and she is set up for a murder she did not commit, she is unknowingly led to her father's doorstep, a man she thought died 20 years ago. Codenamed Nightingale, her father was once a member of the very same Project Delta, a spy in the violent aftermath of the Cold War, and believes they are behind her set-up. Trained to trust nothing and no one, Butterfly must decide whether to seek answers with the Project, or believe the man who betrayed her years ago.

Brokedown Palace Steven Brust, 2006-09-05 Back in print after a decade, Brokedown Palace is a stand-alone fantasy in the world of Steven Brust's bestselling Vlad Taltos novels. Once upon a time...far to the East of the Dragaeran Empire, four brothers ruled in Fenario: King Laszlo, a good man—though perhaps a little mad; Prince Andor, a clever man—though perhaps a little shallow; Prince

Vilmos, a strong man—though perhaps a little stupid; and Prince Miklos, the youngest brother, perhaps a little—no, a lot—stubborn. Once upon a time there were four brothers—and a goddess, a wizard, an enigmatic talking stallion, a very hungry dragon—and a crumbling, broken-down palace with hungry jhereg circling overhead. And then... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
