D Kirk

The World Book Encyclopedia ,2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Autos and Progress Joel Wolfe,2010-02-16 Autos and Progress reinterprets twentieth-century Brazilian history through automobiles, using them as a window for understanding the nation's struggle for modernity in the face of its massive geographical size, weak central government, and dependence on agricultural exports. Among the topics Wolfe touches upon are the first sports cars and elite consumerism; intellectuals' embrace of cars as the key for transformation and unification of Brazil; Henry Ford's building of a company town in the Brazilian jungle; the creation of a transportation infrastructure; democratization and consumer culture; auto workers and their creation of a national political party; and the economic and environmental impact of autos on Brazil. This focus on Brazilians' fascination with automobiles and their reliance on auto production and consumption as keys to their economic and social transformation, explains how Brazil--which enshrined its belief in science and technology in its national slogan of Order and Progress--has differentiated itself from other Latin American nations. Autos and Progress engages key issues in Brazil around the meaning and role of race in society and also addresses several classic debates in Brazilian studies about the nature of Brazil's great size and diversity and how they shaped state-making.

The Naturalists' Leisure Hour and Monthly Bulletin ,1888

Fordlandia Greg Grandin,2010-04-27 The stunning, never before told story of the quixotic attempt to recreate small-town America in the heart of the Amazon In 1927, Henry Ford, the richest man in the world, bought a tract of land twice the size of Delaware in the Brazilian Amazon. His intention was to grow rubber, but the project rapidly evolved into a more ambitious bid to export America itself, along with its golf courses, ice-cream shops, bandstands, indoor plumbing, and Model Ts rolling down broad streets. Fordlandia, as the settlement was called, quickly became the site of an epic clash. On one side was the car magnate, lean, austere, the man who reduced industrial production to its simplest motions; on the other, the Amazon, lush, extravagant, the most complex ecological system on the planet. Ford's early success in imposing time clocks and square dances on the jungle soon collapsed, as indigenous workers, rejecting his midwestern Puritanism, turned the place into a ribald tropical boomtown. Fordlandia's eventual demise as a rubber plantation foreshadowed the practices that today are laying waste to the rain forest. More than a parable of one man's arrogant attempt to force his will on the natural world, Fordlandia depicts a desperate quest to salvage the bygone America that the Ford factory system did much to dispatch. As Greg Grandin shows in this gripping and mordantly observed history, Ford's great delusion was not that the Amazon could be tamed but that the forces of capitalism, once released, might yet be contained. Fordlandia is a 2009 National Book Award Finalist for Nonfiction.

Slavery in Brazil Herbert S. Klein,Francisco Vidal Luna,2010 This is the first complete modern survey of the institution of slavery in Brazil and how it affected the lives of enslaved Africans. It is based on major new research on the institution of slavery and the role of Africans and their descendants in Brazil. This book aims to introduce the reader to this latest research, both to elucidate the Brazilian experience and to provide a basis for comparisons with all other American slave systems.

Panoan Languages and Linguistics David William Fleck,2013 This monographic study of the Panoan family will serve as an invaluable handbook for both Panoanists seeking a broader perspective and scholars who require an introduction to the family. A new classification encompassing all the extant and extinct Panoan languages and dialects, an evaluation of proposed relations to other language families, a detailed history of Panoan linguistics, a typological overview of the phonology and grammar, and a description of ethnolinguistic features in the family combine to provide a complete picture of Panoan languages and linguistics. An index with the synonyms and spelling variants of all the language names and ethnonyms that are or have been claimed to be Panoan will allow for obscure references in the literature to be quickly resolved.

African Roots, Brazilian Rites C. Sterling,2012-09-06 This text explores how Afro-Brazilians define their Africanness through Candomblé and Quilombo models, and construct paradigms of blackness with influences from US-based perspectives, through the vectors of public rituals, carnival, drama, poetry, and hip hop.

American Airpower Comes Of Age—General Henry H. “Hap” Arnold’s World War II Diaries Vol. II [Illustrated Edition] Gen. Henry H. “Hap.” Arnold,2015-11-06 Includes the Aerial Warfare In Europe During World War II illustrations pack with over 180 maps, plans, and photos. Gen Henry H. “Hap.” Arnold, US Army Air Forces (AAF) Chief of Staff during World War II, maintained diaries for his several journeys to various meetings and conferences throughout the conflict. Volume 1 introduces Hap Arnold, the setting for five of his journeys, the diaries he kept, and evaluations of those journeys and their consequences. General Arnold’s travels brought him into strategy meetings and personal conversations with virtually all leaders of Allied forces as well as many AAF troops around the world. He recorded his impressions, feelings, and expectations in his diaries. Maj Gen John W. Huston, USAF, retired, has captured the essence of Henry H. Hap Arnold—the man, the officer, the AAF chief, and his mission. Volume 2 encompasses General Arnold’s final seven journeys and the diaries he kept therein.

Hoosiers and the American Story Madison, James H.,Sandweiss, Lee Ann,2014-10 A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America’s westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana’s stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Who's who in Entertainment ,1992

Archaeology Anthropology and Interstellar Communication Douglas A. Douglas A.

Vakoch,2015-03-24 Addressing a field that has been dominated by astronomers, physicists, engineers, and computer scientists, the contributors to this collection raise questions that may have been overlooked by physical scientists about the ease of establishing meaningful communication with an extraterrestrial intelligence. These scholars are grappling with some of the enormous challenges that will face humanity if an information-rich signal emanating from another world is detected. By drawing on issues at the core of contemporary archaeology and anthropology, we can be much better prepared for contact with an extraterrestrial civilization, should that day ever come.

Open Veins of Latin America Eduardo Galeano,1997 [In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an] account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist

societies in Latin America.-Back cover.
The Sergeants Major of the Army, 2010

biografía de david bowie
biografias y vidas com - Jan
09 2023

web david bowie david bowie
comenzó su carrera cantando y
tocando el saxofón en pequeños
locales y también en institutos
con músicos aficionados como
the manish boys david jones
the king bees o lower third a
finales de la década de 1960
comenzó a grabar sus primeros
sencillos que luego se
integrarían en su primer álbum
david bowie
