Darth Paper Strikes Back (Origami Yoda #2) Tom Angleberger,2012-08-07 The hilarious, clever, and much-anticipated follow-up to the breakout hit, The Strange Case of Origami Yoda! It is a dark time at Ralph McQuarrie Middle School. After suffering several Origami Yoda-related humiliations, Harvey manages to get Dwight suspended from school for being a "troublemaker." Origami Yoda pleads with Tommy and Kellen to save Dwight by making a new case file—one that will show how Dwight's presence benefits McQuarrie. With the help of their friends, Tommy and Kellen record cases

such as “Origami Yoda and the Pre-eaten Wiener,” “Origami Yoda and the Exploding Pizza Bagels,” and “Origami Yoda and Wonderland: The Musical.” But Harvey and his Darth Paper puppet have a secret plan that could make Dwight’s suspension permanent . . . This is the second case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of *Star Wars: Return of the Jedi: Beware the Power of the Dark Side*, showcasing his proven knack for authentically capturing the intrigues, fads, and dramas of middle school in “a satisfying tale of friendship and just resistance to authority” (Kirkus Reviews, starred review). Praise for *Darth Paper Strikes Back* STARRED REIVEW “Angleberger’s just-as-funny follow-up to *The Strange Case of Origami Yoda* delves deeper into the mystery of the helpful paper Yoda in a satisfying tale of friendship and just resistance to authority. Pitch-perfect middle-school milieu and enough *Star Wars* references (and laughs) to satisfy fans and win new ones.”—Kirkus Reviews, starred review “In this imaginative sequel...author Tom Angleberger has his finger puppet squarely on the erratic pulse of middle-school life, with its shifting allegiances, squeals, moans and misgivings.”—Washington Post “As with this story’s predecessor, the well-observed middle-school dynamics (and Angleberger’s sharp sense of humor) are greatly amplified by the book’s design, which includes faux wrinkled pages, abundant doodles, and other scrawled marginalia. It’s a natural step up from the *Wimpy Kid* series, with more text and narrative complexity, but just as much on-target humor and all-around fun.” —Publishers Weekly “This book is honest, funny, and immensely entertaining. The illustrations and design will engage readers. Based on the positive reception *Origami Yoda* has received, kids will be clamoring for this sequel. They won’t be disappointed.” —School Library Journal “The Force is with Tom Angleberger in this sequel to his funny and clever novel/comics hybrid, *The Strange Case of Origami Yoda*. A sequel to equal the funny and clever novel/comics debut of the *Origami Yoda*, as Dwight’s friends try to save him from reform school.—Shelf Awareness “With the same deft touch that made *The Strange Case of Origami Yoda* a pleasure, Angleberger takes readers through the ups and downs of adolescence.” —Portland Book Review “Darth Paper offers further proof that Angleberger really understands middle-schoolers and the daily dramas that engulf them, while still finding the humor inherent in their situations.—Scripps News

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
